

# Furthr.

## Benefit Onboarding

### 4 Steps

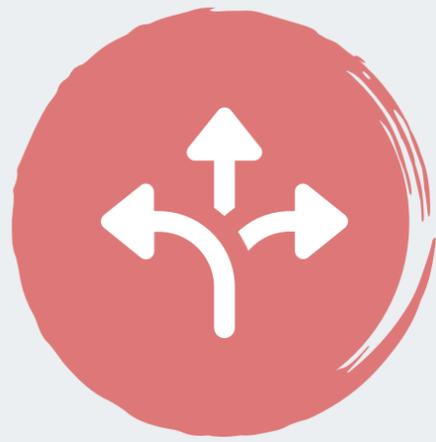

**Step**

**1**

**1-2 weeks**

### Services Agreement

Choose from a range of Furthr products, including employee flexible benefit to our full ESG consultation (includes employee benefit for free).

**Step**

**2**

**1-2 weeks**

### Due Diligence

Due diligence process includes contract agreement, data protection and supplier code of conduct. These are required in order to set the go live date.

**Step**

**3**

**1-2 months**

### Launch

We'll work closely with you on a communications plan in the lead up to launch.

Once employees have opted in, the membership list will be sent to Furthr via SFTP.

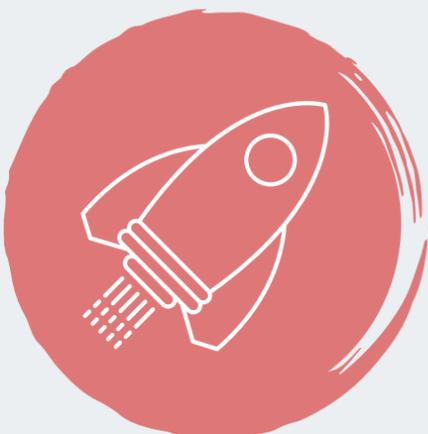

**Step**

**4**

**1-3 weeks**

### Account Activation

After a maximum of three weeks after selection, users will receive an email notification to activate their Furthr account.

## Benefit Management

### 4 Steps

**Step**

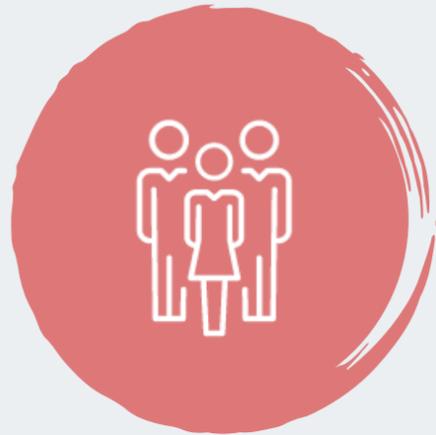

**1**

**1-2 months**

### Launch

We'll work closely with you on a communications plan in the lead up to launch.

Once employees have opted in, the membership list will be sent to Furthr via SFTP.

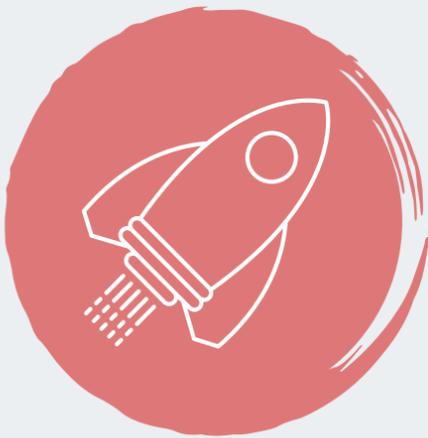

**Step**

**2**

**1-3 weeks**

### Account Activation

After a maximum of three weeks after selection, users will receive an email notification to activate their Furthr account.

**Step**

**3**

**1-3 weeks**

### Invoicing

The first invoice will be issued once users have been sent their activation emails and will be sent to your designated finance email address.

**Step**

**4**

**ongoing**

### Service and Monthly Updates

Once live, members will be able to fund reforestation and clean energy projects, calculate their emissions, and learn to live greener.

They will also receive regular impact updates about the projects they fund and discover the winners of the monthly prize draws.
