

# Don't leave it too late to protect you and your family

## Without Lasting Powers of Attorney you risk:

- The local authority making major decisions on your health care if you can't
- Your family needing court approval for simple financial decisions
- Enormous extra stress for your loved ones at an already distressing time

## Without a Will & planning your family face:

- A costly administrative nightmare untangling your affairs
- Your children becoming the responsibility of the local authority
- Your loved ones not inheriting what's theirs because assets are easily lost

## Kinherit will give you:

### Personalised advice across the board

Help you get exactly what you and your family need, in a way that helps you (Wills, LPAs, trusts, etc)

### A digital end-of-life plan as part of your Will

Our ground-breaking online Will platform makes handover to your family easier, so assets aren't lost

### Reassurance in an unregulated industry

All our estate planners qualify with the Society of Trust & Estate Practitioners – the gold industry standard

### Two consultations and a personal report for free

There's no obligation to pay until we create your legal documents for you
