What Makes Us **Furthr.**

Built On Climate Science

We're a corporate ESG business at our core, bringing over 50 years experience in sustainability

Personal Climate Wellness

Climate anxiety is on the rise. We help your community do their bit, in a way that's easy, meaningful and fun

Simple To Implement

We'll work closely with you to integrate seamlessly into your benefits set up and ensure smooth employee experience

Quality & Transparent Projects

We only work with projects where we are able to verify and track impact. Projects less in quantity but highest in quality

Ongoing Engagement

Our mobile app includes project newsfeed, personalised green living tips and more

Furthr in 3 Simple Steps

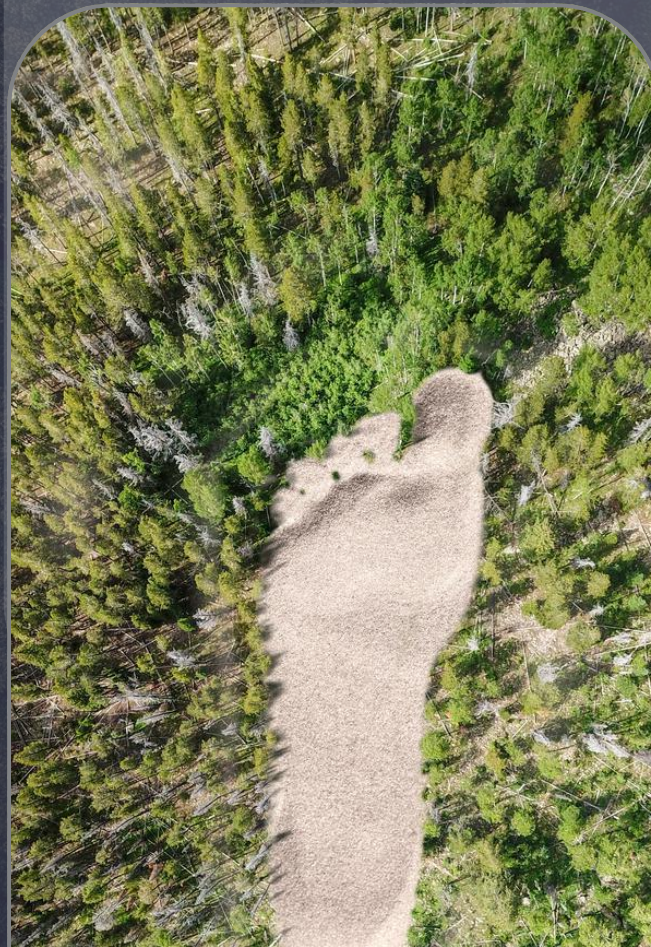

1

Fund Quality
Climate Projects

2

Understand &
Reduce Emissions

3

Build Your
Sustainability Story

The benefit that helps you make a real difference for our planet

Plant Protected Trees

Furthr's Footprint Covers The Globe

F.

We Offer All Our Services Across The World

With the exception of "Treewards", which in some locations is viewed as a form of gambling.

In these countries we offer more trees planted in lieu.

(Countries include: UAE, Cambodia, Japan, Brunei, Singapore, Cyprus, Qatar, Lebanon, Poland)

Furthr Plans and Pricing

Full platform access included with each plan

***1 Footprint**

Data from the Global Carbon Project on UK Per Capita CO2 Emissions, backed by Furthr's carbon calculator (~0.65t monthly)

***1 Small Footprint**

Data from the lowest 8% of our carbon calculator. For those who have a tiny footprint or those who want to make a small difference

Choose the contribution that works for you – else why not cover for your family?

Employer Funding & ESG Services

Many of our clients opt to match or fund Furthr's benefit for their workforce, or work with us on their corporate ESG where we deliver Furthr Basic plan for free

*1 Average Footprint

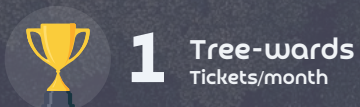

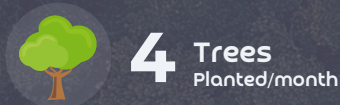

Data from the Global Carbon Project on UK Per Capita CO2 Emissions, backed by Furthr's carbon calculator (0.67t monthly)

*1 Small Footprint

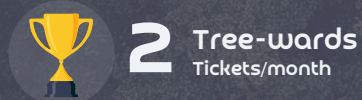

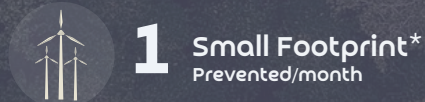

Data from the lowest 8% of our carbon calculator. For those who have a tiny footprint or those who want to make a small difference

£2 /month
Per Employee

£4 /month
Per Employee

Show your support by matching the donation of your staff. Easily set-up matched donation scenario via our monthly invoicing.

Compensate for your corporate carbon emissions using Furthr and we'll be able to activate our benefit for free for all staff.

Speak to us about your corporate ESG!

Furthr offers the full spectrum of highest-quality corporate ESG services, whilst engaging your workforce with a completely free climate benefit! Speak to us about this and we'll run you through.

Employee Furthr Journey Starts Here...

Step ¹

Choose Your Plan

Select your membership level through your benefit portal

Step ²

Activate Account

After selection, you will receive an email to activate your Furthr account and payroll deductions will commence

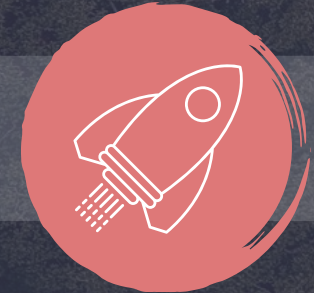

Step ³

Personal Footprint

Take a short survey to determine your personal carbon footprint and see a breakdown of emission drivers on your Furthr app

Step ⁴

Start Living Greener

Get updates on the projects you are supporting and see the difference you are making on the ground. Plus, receive monthly personalised tips to learn to live greener
